CUET REAL TEST 2026

Frequently Asked Questions

Nationwide • Real-Time • Proctored • Shift-Based

Q1. What is CUET REAL TEST 2026?

CUET REAL TEST is a nationwide, real-time CUET exam simulation designed to replicate the actual CUET (UG) exam environment. It mirrors the latest CUET pattern, difficulty level, question types, time pressure helping students experience the real exam before the final attempt.

Q2. Who can appear for CUET REAL TEST 2026?

Any student preparing for CUET (UG) 2026 can appear, irrespective of:
- Board (CBSE / ICSE / State Boards)
- Stream (Science / Commerce / Arts)
- Schooling background

Q3. What subjects are included, and how many can I choose?

The test is conducted in two shifts:
- Paper 1 (Language & GT): GT + English or GT + Hindi
- Paper 2 (Domain Subjects): Select exactly 3 out of 13 — History, Political Science, Economics, Geography, Physics, Chemistry, Biology, Mathematics, Psychology, Sociology, Accountancy, Business Studies, Applied Mathematics.

Q4. How many shifts are there, and how is the test conducted?

CUET REAL TEST 2026 is conducted in two shifts:
- Shift 1: Paper 1 – Language & GT
- Shift 2: Paper 2 – Domain Subjects

The test follows a real-time simulation, closely simulating the actual CUET exam conditions.
